

WE'VE GOT WHAT YOU WANT FOR...

**Cleaner Parts
In Less Time
& No Solvents!**

Don't waste time cleaning those carbs and engine parts with harmful chemicals...

Let Us Do the Work for You!

Gem Ultrasonic Cleaning & Restoration is the area's leader in ultrasonic cleaning for industrial and automotive parts, textiles, and environmental equipment.

Our Ultrasonic Cleaning Method is a safer, more environmentally friendly way to get the best cleaning results in less time without harmful chemicals or the risk of damage to the item being cleaned.
